Grade 10 English Language Arts Test

Test Structure

The grade 10 English Language Arts test was presented in the following two parts:

- the ELA Composition test, which used a writing prompt to assess learning standards from the **Writing** strand in the *Massachusetts Curriculum Framework for English Language Arts and Literacy* (March 2011)
- the ELA Reading Comprehension test, which used multiple-choice and open-response questions (items) to assess learning standards from the **Reading** and **Language** strands in the *Massachusetts Curriculum Framework for English Language Arts and Literacy*

A. Composition

The spring 2014 grade 10 ELA Composition test and Composition Make-Up test were based on learning standards in the grades 6–12 **Writing** strand of the *Massachusetts Curriculum Framework for English Language Arts and Literacy* (March 2011). The learning standards for the grades 6–12 **Writing** strand appear on pages 53–59 of the *Framework*, which is available on the Department website at www.doe.mass.edu/frameworks/current.html.

Each grade 10 ELA writing prompt requires students to write a literary analysis (coded to standard 1 in the grades 6–12 **Writing** strand in the 2011 *Framework*). All grade 10 writing prompts assess standards 4 and 5 in the grades 6–12 **Writing** strand.

ELA Composition test results are reported under the reporting categories **Composition: Topic Development** and **Composition: Standard English Conventions**.

Test Sessions and Content Overview

The ELA Composition test included two separate test sessions, administered on the same day with a short break between sessions. During the first session, each student wrote an initial draft of a composition in response to the appropriate writing prompt on the next page. During the second session, each student revised his or her draft and submitted a final composition, which was scored in the areas of **Topic Development** and **Standard English Conventions**. The *Scoring Guides for the MCAS English Language Arts Composition* are available at www.doe.mass.edu/mcas/student/elacomp_scoreguide.html.

Reference Materials

At least one English-language dictionary per classroom was provided for student use during ELA Composition test sessions. The use of bilingual word-to-word dictionaries was allowed for current and former English language learner students only. No other reference materials were allowed during either ELA Composition test session.
